# ADVENTURER'S TUTORIAL

## GOOD TIME FOR A DRINK...

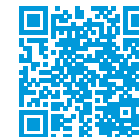

RELAX AND TASTE THE WINE AND AN EXCELLENT SAUSAGE WHILE MAKING THE FONDUE.

### SETTING UP THIS 5 STAR KITCHEN

- Find a stable place
- Slot the 4 parts of the fondue chasing dish
- Place the fondue pot in the centre of the stove
- Take off the protective film from the gel of the burner
- Place the burner under the fondue pot

**TUTO** HOW TO ASSEMBLE YOUR FONDUE KIT?

[www.valdanniviers.ch/rando-fondue](http://www.valdanniviers.ch/rando-fondue)

**Hé!**  
KEEP SOME WINE FOR THE FONDUE.

**MMH!**  
WHAT A GOOD FONDUE.

### I'M HUNGRY!

- Measure the wine : 3/4 of glass = 1 person (7.5 cl)
- Light the gel
- Heat the wine in the pot until it begins to simmer
- Place quickly the cheese in the pot and make it melt
- Do not stop stirring it
- When ready, enjoy the fondue by dipping into the cheese small pieces of cut-up bread
