

# ACCESS

Our region is very accessible. Whether you travel by road, rail or bus, it's efficient and simple.

## Car:

> From French-speaking Switzerland :  
- take the A9 motorway to Sierre via Lausanne, then continue towards Val d'Anniviers.  
- The Forclaz Pass links Haute-Savoie to Valais via the Trient Valley, via Chamonix.

> From German-speaking Switzerland :  
- take the A9 via Fribourg and via Vevey, or use the car transport by rail (Kandersteg-Goppenstein) via the Lötschberg tunnel to Sierre, then continue towards Val d'Anniviers.

> From Italy :  
- take the Simplon or Grand Saint-Bernard with its car tunnel, take the A9 to Sierre, then continue towards Val d'Anniviers.

## By train:

> From within Switzerland:  
Direct connections from all major towns.  
> From outside Switzerland:  
Direct connections to the European rail network.

## By bus:

From Sierre, the postal buses provide the link to Anniviers. All the information on :  
<http://www.ts-ar.ch/>
