## 200 km of mountain bike routes

In Anniviers, there are no less than 200 km of mountain bike routes:

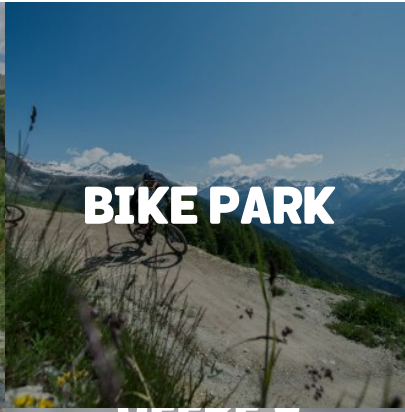

- For beginners, enabling them to start on mountain pasture routes with gentler slopes
- For experienced cyclists who will enjoy combining a variety of routes and tackling vertiginous slopes
- For professionals and amateurs intending to participate in the Grand Raid and who will benefit from the constant training, especially over the last part of the course (from the Pas de Lona to Grimentz)
