

CHANDOLIN BOUTIQUE HÔTEL**** / CHANDOLIN

Hôtel - Restaurant - Wellness - Après-ski

Typically Swiss Hôtel & Swiss Bike Hôtel

Here, at an altitude of 2000 metres, you can enjoy all the pleasures of the protected mountain environment, and choose your own mix of sport, adventure and relaxation.

Restaurant - 15/20 Gault&Millau

The restaurant at the Chandolin Boutique Hotel is designed to be both contemporary and alpine. Its dishes are based on local products, to which seasonal and other high-quality ingredients are added, taking guests on a culinary journey that goes beyond Switzerland. Its south-facing terrace has a wonderful view over the mountains.

Après-ski Sunset

At the foot of the pistes, very close to the hotel, the Sunset Chalet Bar is the ideal place to spend the afternoon or the après-ski period. You can be sure of a warm, friendly atmosphere in which to relax over a fondue or a raclette at the end of the day.

Altitude Wellness

Facing south and with a lovely view of the mountains from its windows, Altitude Wellness offers its clients a soothing space where they can unwind physically and mentally. The spa has a sauna, hammam and sensory shower, and a
