

CINE-CLUB / VERCORIN

Presentation and screening of 5 films under the direction of Danielle Coquoz,
and with the participation of the director Jean-François Amiguet.

"Love always! With a big A or a very small one...
singular or multiple, lived, shared, fantasised,
triumphant or devastated.

The great affair of our lives! There are so many films
about love, an infinity of films.

The choice can only be subjective, completely
personal!"
