

RELAIS DE LA TZOUCDANA / ZINAL

Open in summer only

At an altitude of 1700 m, at the bottom of the Val d'Anniviers, the restaurant of La Tzoucdana is the starting point for a number of mountain excursions. Once used as a staging post between the resort of Zinal and the various valley-floor mountain huts, it is now the dream place for children to play and for all those who want to feel time stand still for a moment.
