

# RESTAURANT LA GOUGRA / ST-JEAN

## Restaurant - Exceptional fondues - Grocery store

With its ideal location at the heart of the Val d'Anniviers, a fantastic view of the peaks of the Couronne Impériale is to be had from the restaurant's sunny terrace. The team at La Gouggra provides a warm welcome to this restaurant in typical regional style. Traditional dishes made from local produce and must-have fondues.

Last but not least, there's our **shop selling local, loose goods**. The shop is our way of sharing a new kind of consumption with both guests and local residents. It's goodbye plastic and hello reusable bags and containers. We put the region's delicacies centre stage, in all their natural glory!
