

# SUNRISE IN BELLA-TOLA / ST-LUC

Wake up early and admire the sunrise on the peaks of the Val d'Anniviers with  
us.

Enjoy the magical experience of travelling up Bella Tola by the light of the full moon and standing on its 3025-metre summit as the sun rises. Then go down to the Bella Tola mountain hut for breakfast, before you descend the pristine pistes.

Meet at 05:00\* outside the funicular railway station in St-Luc for the ride to the summit.

*\*The departure time changes according to the time the sun rises. Please check with the St-Luc funicular service for the exact time of meeting.*

Depending on the weather conditions, the Bella Tola drag lift may be closed. In this case, either the sunrise will be viewed from the Col des Ombrintzes, or the excursion will be postponed to a later date.
