

SWING MANIAK CONCERT

Swing Maniak - concert organised by the association Jazz sous les étoiles

Swing Maniak Concert

organized by the Association Jazz sous les étoiles

« Swing Maniak » was founded in 2010 by two passionate guitarists, Greg Pittet and Nicolas Fardel. They play Gipsy jazz at its best. This musical style created by Django Reinhardt combines gypsy music with the jazz of the 30ties. « Swing Maniak » has given more than 300 concerts, namely at Cully Jazz Festival and at IcogneJazz Festival as well as during a tour through Nepal in 2016. This time they will play in a trio line-up. Let's swing!

A pumpkin soup offered by the Jazz sous les étoiles association will be served for free at the Tapouk Bar.
