

# VERCORIN

The Chalais and Vercorin cable cars transport skiers from the valley to the Crêt du Midi (2336 m) in just 30 minutes. Once up on the pistes, skiers and snowboarders have access to 7 ski lifts enabling them to enjoy around 35 km of pistes and a snow park. An ideal skiing area for families, it also offers several toboggan runs, including two areas reserved for children at the heart of the village.
