

# VISIT OF THE MILL / CHANDOLIN

**Cancelled in the summer 2020**

## Visit of the Chandolin Mill

It is driven by the water of the Fang stream.  
Hollowed tree trunks are used to divert some of the  
water to turn the wheel.

Distinguishing features : It has a unique hopper,  
hewn with an axe from a single Swiss pine trunk  
Location : 25 minutes' walk from the Chandolin  
post bus stop.
