INFORMATION – SUMMER 2020

During this summer, it will not be possible to take the cable car from Zinal to Sorebois (construction work on a brand new cable car). The official path is therefore the one that connects **Sorebois from Mottec (n°16)**, in about 2h30. From the summer of 2021, this stage of the Tour du Val d'Anniviers will again be able to be carried out normally.

Plan of road closures and detours due to construction work
