

# WINTER HIKING TRAILS

Good shoes, sticks (and crampons) are all you need to venture out on one of our many winter hiking trails.

## Ouvertures/fermetures en direct

- [Randonnées hivernales - Grimentz/Zinal](#)
- [Randonnées hivernales - St-Luc/Chandolin](#)

## recommendations

- In winter, take only the marked hiking trails (pink) The yellow signs are for summer routes, not passable in winter.
- For your safety, find out about the weather and snow conditions before using these routes.
- Equipment: good hiking boots, sticks and crampons are highly recommended.
- Inform your entourage in case of a solo hike.
